

# Help us help them

## *Host a pet food drive*

**It's easy:** We supply and deliver the collection bin, posters and flyers. Your group promotes the event and gathers donations. At the end of your drive, we'll pick up the supplies and donated pet food.

**Make a difference:** Low-income seniors and their pets could use your help! These seniors, most of whom are isolated and homebound, rely on their pets for companionship and their pets rely on them for love and care. Donations help ease the cost of pet guardianship and keep pets in homes.
