We serve seniors from a wide variety of backgrounds and faiths, so we ask that all gifts that celebrate the holiday season are without a specific religious focus.

Volunteer Opportunities

Want to volunteer individually or as a group for the holidays? We are looking for help packing holiday gift baskets, serving lunch at holiday parties, assisting with holiday activities and more! This need continues year-round. Let us know if you would like to volunteer beyond the holiday season.

Pet Supplies

While support is critical for our participants during the holiday season, we also help their four-legged family members who provide valuable companionship and important health benefits. Our Neighbors Pet Program welcomes gifts of dry and wet cat and dog food, toys, and treats to help our older and disabled adults care for their pets during the holidays.

Donate

Your financial contribution – of any amount – provides local seniors the gift of our programs and services. Together, we can ensure that no one needs to go through the journey of aging alone.

ON BEHALF OF THE OLDER ADULTS WE SERVE, THANK YOU!
